## Japanese Cultural Day

On Friday, students engaged in numerous Japanese cultural activities organised by Sensei Goodrich and Sensei Jones. Many students dressed up for the day, making hachimaki, engaging with the fantastic "Four Seasons" puppet show by Aiko from Wasabi Kids and karate demonstration from GKR. Our thanks to Em's Cookie Jar for providing a delicious sushi lunch, and everyone who made this day such a success, particularly Kerry and Abby.

## Arrival time for students

We have noticed that a number of students are arriving very early to school each day, with some waiting by the gates as early as 7:45am! Whilst it is great to see they're keen for another day of learning, there is not a teacher on duty until 8:30am, raising some concerns about children's safety prior to this time. To address this concern, we ask that students be dropped off from 8:30am, or aim to arrive at school after this time, prior to lessons commencing at 8:55am. Happy Haven also provide before school care if working families need to drop off their child earlier due to work commitments.

## Transition to High School (Parents / Carers of Year 6 students)

Each year the Department for Education coordinates a state-wide process to assist primary school students' transition into secondary school. A new online registration of interest form is now available for parents of students starting secondary school in 2024 to complete. **Please check your email for information as the form is unique to your child.**

The form can be accessed from a computer, tablet or mobile phone, as long as you can connect to the internet, and replaces the old paper format used by schools, sometimes referred to as an ED176 form. **It is recommended that you use Chrome as your internet browser to complete this form.**

The online form will allow you to tell the department if:

- you would like your child to attend their local/zoned secondary school (find which secondary school is your local/zoned one at [find a school!](#))
- you are interested in your child attending another SA government secondary school/s
- your child does not require a place as they will not be attending a SA government secondary school in 2024.

You must complete and submit the form by **26 May 2023**.

Where appropriate, the link to this unique form has been sent to each person who has legal responsibility for your child. It is important that parents/guardians reach an agreement regarding which secondary school(s) you want to nominate for your child before you complete the form, as only one form can be submitted for each child. If you need to make changes after the form has been submitted, you will need to contact our office at Freeling Primary School. All families will be advised of their child's secondary school allocation on or by **11 August 2023**.

You can find more information as to how the transition process works on the [department's website](#) or in the provided parent brochure for students starting secondary school in 2024. If you need guidance on how to complete the online form, please find guidance videos here. Guidance videos - <https://www.education.sa.gov.au/parents-and-families/enrol-school-or-preschool/school-enrolment/register-your-childs-interest-starting-high-school>  
If you are not able to access the online form, or if you need help or have questions about how to complete it, please contact our office at Freeling Primary School for assistance.

# YOUNG LEADERS' DAY

I am writing up about Jodie Oddy and Andrew Hayes. We heard them speak while we were at the Convention Centre for Young Leaders' Day.

Jodie and Andrew work for Nova 919. They are on the radio in the morning and have their breakfast then they get to work. They are friends and like to work with each other. Andrew makes Jodie laugh sometimes.

They were inspirational because they were talking about how you should not feel down when people are mean. You should always be nice to people so they will treat you the same and you should not doubt yourself because of what someone else has said about you, just keep going, no matter what.

By Liana Gray

My name is Cameron and on the 17<sup>th</sup> of March all 4 of the student voice leaders went to the Convention Centre in Adelaide for the Halogen Young Leaders' Day.

A number of well-known South Australian's spoke to us about overcoming challenges and becoming leaders.

### **Gemma Houghton – AFLW Player for Port Adelaide**

I found Gemma Houghton's speech inspirational because lots of young people may have had the same story as her but she powered through tough times.

One thing I really like about Gemma Houghton is that she works very hard for her dreams and she had a lot of setbacks to overcome lots of obstacles but still managed to make it.

Hi. My name is Jayda.  
 On March 17 we went to the Young Leaders' Day  
 at the Convention Centre in Adelaide.

I am writing about Harries Carroll and what he  
 does.

Harries Carroll works for Bondi Rescue, where he  
 is a life guard and he is on the Bondi Rescue TV  
 show.

I found him inspirational because he helps  
 people and saves peoples' lives.

I enjoyed hearing about the stories from Bondi  
 Rescue.

On March 17<sup>th</sup> 2023, all four student voice  
 leaders went to the Convention Centre in  
 Adelaide for National Young Leaders' Day 2023.  
 We went there to learn how to become a great  
 leader and to hear others stories and journeys on  
 how they became a great leader. Today I'm  
 writing about Nathan Luff and how he became an  
 author.

As I mentioned his name is Nathan Luff and he is  
 an author. Nathan Luff is mostly known for his  
 book series, Nerd Herd. Nathan grew up on a  
 farm and had six or seven siblings. He faced a lot  
 of challenges growing up because his siblings  
 liked to play dangerous games. He uses his  
 siblings, challenges and experiences to create  
 characters in his stories.

I got to meet Nathan and got his signature in my  
 book. I enjoyed meeting Nathan because I want  
 to be a writer and actor, and I learnt some  
 important lessons from him, including to be  
 persistent when things are difficult.

## SAPSASA STATE SWIMMING

Sia Lobrovic competed at the Marion Swim Centre in the  
 10 year old girls 4 x 50m relay for state SAPSASA  
 Championship swimming.

She swam the final lap and managed to get the team  
 from 5th position to 4th. She also set a new PB!

***Congratulations and well done to Sia***

## HOSTING A JAPANESE STUDENT

Kapunda High is excited to be offering the opportunity to host a Japanese student in early term 3. The students are coming from Tokyo and are affiliated with Meiji University. Here is a link to some information in English about the schools: <https://www.meiji.ac.jp/cip/english/about/junior.html>. They will be in Australia from July 27<sup>th</sup> until August 11<sup>th</sup>. The benefits of hosting a student are building a connection with another culture, creating the opportunity to build friendships, support with a Working with Children Check, and a small allowance to fund the homestay. You will also have access to 24/7 support. Homestay families are responsible for providing a bed (shared room is fine) and meals. Kapunda High School organises two excursions: one to the Gorge Wildlife Park and Whispering Wall and the second excursion is to the Central Market and South Australian Museum. If you are interested in hosting a Japanese student please contact Scott Durand, the Japanese teacher at Kapunda High via email ([scott.durand752@schools.sa.edu.au](mailto:scott.durand752@schools.sa.edu.au)) or via phone (0418 498 345)
