

HAPPY HAVEN IS CURRENTLY STILL ABLE TO OFFER Out of School Hours Care
 OSHC Service hours (6:45 – 8:45am and 3:00 – 6:15pm)

Outside of these hours the mobile number is available for you to leave a voice message or send a text message regarding bookings/absences.

HAPPY HAVEN - FREELING SERVICE – DIRECT 0404 735 135

PLEASE REMEMBER STUDENTS ARE NOT TO BE ON SCHOOL GROUNDS BEFORE 8:30am

The students have settled into the new school year with smiles on their faces. Harper is enjoying being in her new classroom and Ollie is using his creative skills in the Interoception space.

QUICK and EASY COMMUNICATION USING the SEESAW APP

In preparation to receive school information and make contact with your child's teacher, we ask that you download the SEESAW APP available free of charge from the APP Store or GOOGLE PLAY STORE. Information about joining your child's/children's class group has been shared by the class teachers.

At this stage, all school newsletters will be sent to class teachers who will send them out to families via the SEESAW APP.

Mid-Year (Term 3) Intake – Preschool: We are currently taking expressions of interest for preschool enrolments for Term 3.

Children who turn 4 years of age before 1 November are eligible to start preschool mid-year the same year (term 3). Children who turn 4 years of age on or after 1 November are eligible to start preschool in intake 1, at the start of the following year.

Thank you to all those families who have already expressed their interest in accessing our preschool. Once expressions of interest are received and eligibility assessed, offers of placement will be made to eligible families. Please be advised that families of pre-school aged children from Wasleys and Roseworthy are zoned to Elsie Ey Children's Centre, based at Hewett Primary School.

It is important that parents meet their legislative and regulatory obligations when enrolling children in pre-school, with immunisation history provided from MyGov or the Australian Immunisation Register. Children cannot attend preschool before this information is provided.

If you would like to find out more, please contact Luke Shepley or Deb Meaney via the front office.

Australian Dental Foundation: 'My School Dentist program' provides onsite mobile dental treatment and education for Primary & Preschool aged children and will be visiting our School and Preschool between Tuesday 2nd April and Friday 5th April. Envelopes with application forms and information have gone home today. Please complete forms and return to the Front Office by Monday 25th March if you would like your child to be included in this program for a dental check-up.

NAPLAN 2024: Yesterday Yr 3 students had the opportunity to participate in a NAPLAN practice test, as we checked to ensure our digital devices and the NAPLAN platform are ready for the real testing, which will be conducted from 13th to 22nd March. Students were very successful in being able to navigate the platform during the omnibus test (a combination of reading, spelling, grammar, punctuation and numeracy), as well as follow test protocols, such as logging on and off the platform, staying in their seats and not talking to other students. We are sure they will transfer this confidence to the real test later this term. Students can go to the NAPLAN public demonstration site to do practice tests [NAP - Public demonstration site](https://nap.edu.au) and other information is available at <https://nap.edu.au>. Please contact the school if you have any questions about NAPLAN 2024.

Assemblies: Assemblies will be held on Thursday afternoon in weeks 3, 6 & 9 in term 1 at 2:30pm under the COLA (Covered Outdoor Learning Area). On days when the temperature is predicted to be over 35 degrees in the afternoon, our Assembly time will be moved to 9:05 am. Assembly next week will be our student voice induction. We hope you can come.

Swimming: Students from Reception to Year 5 enjoyed last week's swimming / water safety lessons, but were exhausted by the end, particularly with the hot weather. We are very proud of how well students participated in lessons, as well as their conduct to and from the pool.

JAPANESE WITH SENSEI **GOODRIDGE**

PREPARING FOR A GLOBAL 21ST CENTURY

Australia and Japan continue to have a close relationship, not just through trade but through the mutual attraction of our cultures and the goodwill generated by many people to people connections. Japanese has been for a long time the most popular language in Australian schools.

By studying Japanese you not only learn to communicate in the language, but you also develop an understanding of and empathy for the people and their culture.

Through the learning of Japanese, you will become respectful and inter-culturally competent individuals and globally conscious citizens. This will help you to thrive in the competitive world of the future.

Yr 5/6 GOODRIDGE SENSEI

Yr 5/6 students started the year with "get to know you" bingo in Japanese. Students created a mind-map with connections to learning Japanese.

Japanese New Year Goal Setting

Japanese fun with Yr 3-5

The Yr 3-5's having fun with katakana name activities before challenging themselves to some partner games learning about transport in Japan.
