WELCOME TO 2021

Welcome to the 2021 school year. We hope that students and families have settled into a routine and have enjoyed the first few weeks back at school. We have had a great start to the new school year. All staff are to be commended for their many hours of hard work to ensure that our school and students experience a positive and successful transition into the new school year.

We are happy to welcome many new families and trust that you will enjoy being part of Freeling School and the Freeling community. The student population at the school from Preschool to Year 7 currently stands at 344.

The first 2 weeks at school have come to be known as Freeling Fortnight. Teachers and students have engaged in many activities that support getting to know one another and setting up the rules and expectations for successful learning and relationships for all based on our school values - Honesty, Trust, Respect and Responsibility. The 5 Keys to Success (Confidence, Getting Along, Organisation, Persistence, and Resilience), Growth Mindset philosophy, and the rights and responsibilities of ourselves and others were key learning discussions during this time. Staying focused on the positive and being grateful is certainly a focus at Freeling. There is always much to be grateful for and from a leadership perspective this week, we are grateful:

- That we have been greeted by polite, happy students who have come back to school ready to further their learning.
- Students are working to support one another and build positive relationships with their peers and the staff.
- There is a home-school partnership that supports children's social, emotional and academic growth.
- To staff who spend many hours to ensure that they set up successful learning and work environments to support our students and families.

ACTING PRINCIPAL APPOINTMENT

As you are all aware from my previous communication, we will be pleased to welcome Mr Ken Randall to the role of acting principal as of Monday. I have told Ken what a welcoming and wonderful school we have and I feel sure that will be evident to him when he begins. I have enjoyed my stint as acting principal, but will be looking forward to working with Ken and getting a little more sleep than I have been. I appreciate the support and encouragement shown by staff, students and families.

I look forward to a great year ahead.
